

國立中山大學應用數學系

學術演講

講者：余冠儒 博士（中央研究院）
講題：On the study of phylogenetic networks
時間：2020/12/10（Thursday）14:10 ~ 15:00
地點：理學院四樓理 SC 4009-1 室
茶會：13:40 於理 SC 4010 室（系辦公室）

Abstract

Phylogenetic networks have replaced phylogenetic trees in many applications in biology within the past few decades. Biologists are particularly interested in some classes of phylogenetic networks.

In this talk, we will present our recent work of counting the major classes of phylogenetic networks which are believed to be of great help to the study of phylogenetics. Moreover, we will also outline some open problems which we plan to handle in the near future.
